ABOUT S.I.L

Saraswati Institute of law was established in 2017, and is affiliated to M.D. University, Rohtak. SIL is one of the pioneer under Saraswati group of Institutions. It was the dream of our founder father Late Sh. Lakhan Pal Mangla(Sr. Advocate, Palwal). Our vision is to create an empowered society by nurturing highly committed and accomplished justice system.

Our Mission is to strengthen the students by developing high intellect, moral dignity and positive energy to create social welfare and justice through knowledge of law. We share the values of high-quality teaching within an environment of internationally competitive research. SIL seeks to provide a creative and supportive environment in which ideas are generated and flourished. We believe that the essence is to create, integrate and disseminate better understandings of the world around us through knowledge. Recognizing that students and faculty shift and share all three roles, we challenge the notion that knowledge is static and insular. Instead, we welcome and enable a diverse and dynamic learning community of scholars, teachers and learners.
